I will meet you in the Suite 200 waiting area at our scheduled time. If you are new and have not completed all the *New Patient Packet* forms (available by clicking on the "New Patients" link on www.coastalcognitive.com website) please arrive at least thirty (30) minutes early to complete these forms. You will need to alert me to your need to have blank forms ready for you if you did not complete and/or bring these with you at your first appointment.
